Dear Mr. Wallace,

Thank you for participating as a speaker at the recent AMIF 2007 Conference on Worker Safety, Health and Human Resources in Denver, CO. The participants were very pleased with the program and found the presentations and discussions useful. Many participants believe this was the best conference to date. Enclosed are the evaluation results for your session.

Thank you again for taking time out of your busy schedule to share your expertise at our conference. AMI recognizes that we would not receive such positive feedback from participants without the excellent presentations and stimulating discussions provided by talented individuals, like you.

Sincerely,
